Tuesday	science		Thai		English	music	math
Wednesday	English	math	history		social studies	P.E.	Thai
Thursday	Thai	social studies	science		computer		English
Friday	math	English	art		Thai	health	science

Win: Hi, Non. Can I ask you about the classroom schedule? I left it at home and I can remember only some parts of it. When do we have a music class?

Non: Oh, we have a music class on Tuesdays.

Win: When do we have P.E.?

Non: On Wednesdays.

Win: Do we study social studies on Fridays?

Non: No. We study math, English, art, Thai, health and science.

Win: Non, do you like math?

Non: No, I don't. I like English and art. What subject do you like?

Win: I like math and music.

Listen, read, and learn.

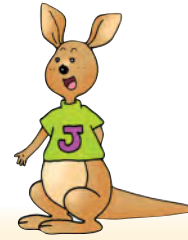

What is it?

1. It is a rectangular room. There are many desks, chairs, a world map, a blackboard, a computer and a clock in this room. We study school subjects with our friends and teachers.
What room is it?

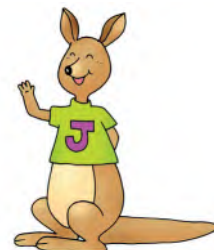

3. I like to sing and play the guitar. When I go there, I'm very happy. There are many musical instruments there.
What room is it?

5. My brother likes to play this sport after school with his friends. They try to kick a ball into the goal. The players can't touch the ball with their hands and arms but the goalkeeper can do it.
What sport is it?

2. It is a place in school. There are many food shops in this place. Students have lunch together here. We meet our friends from other classes here, too.
What is this place?

4. Yupin and Yada like this sport. They play it at home when they finish their homework. They play it on a table with a small plastic ball and two bats.
What sport is it?

Happiness Elementary School

Suwat

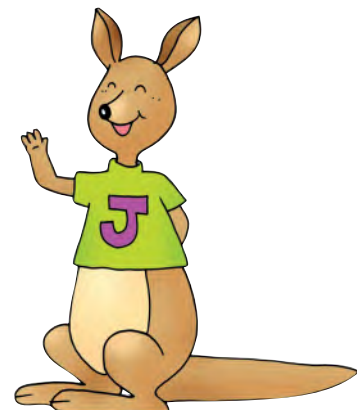

This is my school. It is Happiness Elementary School. The teachers are kind and friendly. They teach well. I love them.

At school, I have many friends. I study many school subjects: math, Thai, English, science, social studies, history, music, art, health & physical education (health & P.E.) and career & technology.

I play soccer after school. I am very happy when I am at school.

Say the answers.

1. Who is the boy in the passage?
2. Where does he study?
3. What are his teachers like?
4. What does he do after school?
5. Does he like to go to school? Why?
