Introduction

This mini-story is an engaging and natural way to improve your Thai language reading ability. It is drawn from the “Learn Thai from a Story” series and is presented as a PDF and e-book.

A phonetic transcription is provided for those who are not yet able to read Thai script, and the downloadable audio file allows you to improve your listening skills.

As a further aid to expanding your vocabulary, every word used in the story appears in the glossary with its English translation.

I hope you enjoy learning Thai from this story by PaewPun.
